To see what we  
havenever seen, to be  
what we have never  
been. To shed the  
crysalis and fly.  
Depart the Earth, to  
kiss the sky. To be  
reborn, be someone  
new. Is this a dream?  
Or is it true?Can our  
future be clearly  
shorn, from a life to  
which we're born? Is  
each of us a creature  
free? Or trapped at  
birth by destiny?  
Pitty those who  
believe the latter, for  
without freedom  
nothing matters !In the  
real world,As in  
dreams,Nothing is  
quite,As what it  
seems.--The Book Of  
Counted Sorrows

--The Road Not  
Taken

Two roads diverged in  
a yellow wood. And  
sorry I could not travel  
both and be one  
traveler, long I stood.

And looked down one  
as far as I could, To  
where it bent in the  
undergrowth; Then  
took the other as just  
as fair, And having  
perhaps the better  
claim, because it was  
grassy and wanted  
wear; Though as for  
that the passing there  
had worn them really  
about the same, and  
both that morning  
equally lay in leave no  
step had trodden  
black. Oh, I kept the  
first for another day !  
Yet knowing how way  
leads on to way, I  
doubted if I should  
ever come back. I shall  
be telling this with a  
sigh somewhere ages  
and ages hence : Two  
roads diverged in a  
wood, and I -- I took  
the one less traveled  
by, And that has made  
all the difference.  
-- Robert Frost  
--Life Without You

I wish I could control  
how I feel, I wish that  
I knew if this feeling  
was real. Knowing  
that I can't be with you  
and that I'm losing to  
loneliness is leading  
me to emptiness.  
Seeing you happy with  
him is filling my  
heart, but I wish that  
you never know the  
pain of the two of you  
being apart. The man  
you're with if I was  
him then maybe I  
could see, just how  
happy you are when  
you are with him.  
Lucky is how I can  
describe your husband  
to be, for life without  
you, pain and heart  
break lasts an  
eternity.

--Love

Wish I knew the  
words to say, the road  
to take, and the things  
to do to find a way  
for my love to make  
its way to you. I'll do  
anything to set things  
right. Because your  
love is so amazing, you  
make me forget about  
all of the pain in my  
life. Love is a very  
hard thing to find, and  
I think that the Gods  
sent me a sign, an  
arrow straight to my  
heart burning with  
desire for you to love  
me too. If only you  
could see things the  
way I do, then you  
would know that I  
would do anything that  
you'd want me to.

--Wolfbane

--Rhymed Saying  
There's this love that  
is burning deep in my  
soul, constantly  
yearning to get out of  
control, wanting to fly  
higher and higher, I  
can't abide standing  
outside my desire.
